nobilis (adj. et subst. mascul.). Le problème de l'origine de la noblesse médiévale étant fort controversé et de nombreux textes étant susceptibles d'interprétations différentes, nous nous bornons à quelques indications très sommaires. — As the origin of the medieval nobility is a much-debated problem and much of the source material admits of different interpretations, I shall merely give a few unpretentious hints. 1. *en parlant de la noblesse sénatoriale romaine — for the Roman senatorial nobility. 2. en parlant de l'aristocratie de sang chez certains peuples germaniques où le noble s'oppose à l'homme libre non-noble — for the lineage aristocracy of some Germanic peoples characterized by the juxtaposition of a class of nobles and a class of simple freemen. Si obtimatemobilem occiderit ... 150 sol., si aliquem in populo mediocri 100 sol., pro minore persona 75 sol. praecipimus numerari. Lex Burgund., tit. 2 § 2. Cf. ib., tit. 26 § 1. Si quis de nobili genere de hereditate sua voluisset dare ad sanctuarium Dei. Concil. Dingolf. a. 770, c. 6, *Conc.*, II p. 95. (Cf. Legem Baiwar., tit. 1 § 1: Si quis liber persona voluerit et dederit res suas ad ecclesiam ...). Cum tribus testibus fidelibus et nobilibus testificetur. Ib., c. 2, p. 94. Legem quam habuerunt ... nobiles et liberi et servi. Ib., c. 5. Si nobilis nobiles occiderit ... Si nobilis liberum occiderit ... Si nobilis litum occiderit ... Lex Fris., tit. 1 § 1-4. Ibi saepe. Profredo si nobilis fuerit sol. 12, si liber 6, si litus 4. Lex Saxon., c. 36. Ibi saepe. Inter 120 homines, nobiles et ingenui [i.e. ingenuos] similiter et litos. Capit. de part. Saxon., c. 15. Ubi cumque Franci secundum legem sol. 15 solvere debent, ibi nobiliores Saxones sol. 12, ingenui 5, liti 4 componant. Ib., c. 3. [Saxonum] gens omnis in tribus ordinibus divisa consistit. Sunt enim inter illos qui edhilingi, sunt qui frilingi, sunt qui lazzi illorum lingua dicuntur, latina vero lingua hoc sunt nobiles, ingenuiles atque serviles. NITHARD., lib. 4 c. 2, ed. LAUER, p. 120. 3. En d'autres cas, le mot s'emploie comme synonyme de "liber" ou "ingenuus" — in other instances the word is used as a synonym of "liber" or "ingenuus". Unacum inlustribus veris obtimatibus meis ... vel universis nobilibus Langobardis. Liudprandi leg., c. III praef. (a. 720). Ille nobilis vasallus illius. F. Augiens., coll. C no. 15, *Form.*, p. 371. Si inter ipsos canonicos ingenui et nobiles homines ... fuerint inventi. Coll. Sangall., no. 1, ib., p. 395. Nullus praelatorum seclusis nobilibus viles tantum in sua congregatione admittat personas. Concil. Aquisgr. a. 816, c. 119, *Conc.*, II p. 399. Quisquis liber libertam ... in matrimonium duxerit, ulterius habere debet tamquam unam ex nobili genere progenitam. Concil. Tribur. a. 895, c. 38, *Capit.*, II p. 235. Nobilis homo vel ingenuus dum in

synodo accusatur. Ib., c. 22* (forma brevior), p. 225 (cf. ib. c. 22, forma vulgata: fidelis libertate notabilis). Volens accipere uxorem, ... obtinuit [quidam proprius ecclesiae] ut nobilem quandam acciperet ... tamquam et ipse esset liber. Trad. Richersperg., no. 161, *ÜB. d. L. ob der Enns*, I p. 371 (ante a. 1190). Quamplures nobiles et servilis conditionis, relicta Flandria, ... Hanoniam inhabitaverunt. GISLEB. MONT., c. 8, ed. VANDERKINDERE, p. 11. Comes ... acceptis hominum suorum tam nobilium quam servilis conditionis fidelitibus. Ib., c. 68 p. 107. 4. Certains textes font apparaître une noblesse déterminée par la naissance, sans qu'il soit possible d'établir avec précision son statut — some documents allude to a nobility based on birth, its legal status remaining an open question. Intercedentibus nobilibus atque bene natis viris te mihi in conjugium copularem. F. Visigot., no. 14, *Form.*, p. 581. Nobilis natu erat, hoc est filia nepotis E. regis. BEDA, Hist. eccl., lib. 4 c. 23. Quidam miles nobili parentum prosapia progenitus. MULLER-BOUMAN, *OB. Utrecht*, I no. 145 p. 140 (a. 996). 5. Parfois le terme "nobiles (viri, personae)" s'emploie comme synonyme de "boni homines" (cf. voc. bonus). Il paraît qu'il s'agit là plutôt d'une classe sociale que d'une noblesse de sang. — Sometimes the word "nobiles (viri, personae)" has the sense of "boni homines" (cf. voc. bonus), apparently a social group, not a nobility based on lineage. Cartam confirmatione plurimorum nobilium testium confirmatam. D. Karolin., I no. 170 (a. 791). [Venditionem] in publico coram comite et iudicibus et nobilibus civitatis facere debebit. Concil. Sub praesentia episcopi vel sacerdotum ibi consistentium ac nobilium laicorum. F. extrav., ser. I no. 18, p. 544. Andegavae civitatis nobiles. AIMOIN., Mir. Bened. (ca. a. 1005), lib. 3 c. 14, ed. DE CERTAIN, p. 160. 6. Dans certains textes se rencontre le comparatif "nobilior" ou bien le superlatif "nobilissimus". On les considère généralement comme l'indice d'une signification plutôt sociale que juridique du mot. — Several documents contain the comparative "nobilior" or the superlative "nobilissimus". These are often regarded as proof of a social rather than a legal connotation. Quicumque ingenuorum regiam jussionem contemnere invenitur, si nobilior persona est, tres libras auri fisco persolvat; si autem talis sit qui non habeat unde hanc rei summam adimpleat ... Lex Visigot., lib. 2 tit. 1 c. 31. Cf.: Si ex nobilibus idoneisque personis fuerit ... Nam si de vilioribus humilioribusque personis fuerit ... Ib., c. 9. HULSHOF, p. 5. 7. En revanche, un certain nombre de textes, de provenance surtout allemande, fait distinction entre les "liberi", d'une part, et les "nobiles", d'autre part. Ils semblent désigner par ce dernier terme une classe juridiquement déterminée qu'on peut qualifier de noblesse féodale. — On the other hand, we find in a number of documents, mainly german, a distinction made between "liberi" and "nobiles". By the latter term these passages seem to indicate a definite legal class which we may call the feudal nobility. Coram presentia . . . omnium nobilium et ingenuorum in circuitu commanentium.
